- **October 5 - Another busy day for Randy, Pastor Johnny and Ron at Tri State Christian Camp...making progress one day at a time...moment by moment. God is soooo good! Thank you Lord for Your guidance and Your protection on each of these men in their labors of love for you. Bless each dollar that is donated to this camp, Lord, to meet the needs here and bless each and every person who has generously given and invested in the souls of all ages that will be blessed or brought to You through this great ministry.**

- **October 5 - Moved out the old snack shack. Taking out a tree to line up the other two buildings. Received a \$2,000 gift to build a new snack shack. It will look something like the last picture.**
