Tri-State Christian Camp

Thanks to Michael's Tree Care for helping me put new lights on our basketball court. Michael and his family have been staying at Tri-State Christian Camp for five weeks. They are working on tree removal in Panama City.

Thanks to my good friend John Straub for helping me get the metal roofing put on my new back deck!

John is the Facilities Manager at Country Lake Christian Retreat Center in southern Indiana.

The camp for Southeast Christian Church in Louisville Kentucky.

John and I went to Panama City twice this past week to look at Robert and Gwen's house. Trying to get some work teams down and some funding to rebuild their house.
