Thanks Ron for helping at our camp.

Ron is from up north trying to get away from the winter. He googled Christian Camp's and found us here in the panhandle. He stop by just to stay for a couple nights and decided to give us a hand around the property. He is prepping the front of the dining hall to put in our new wall. PTL for the volunteers He brings our way!

If you would like to get out of the ice and snow for a few days this winter Tri-State Christian Camp could be your Florida destination! Starting the week of February 18th Gus from Butler Springs Christian Camp will be on our property building two 500' zip lines. We're going to need help to build and erect a zip line tower and get the cables up. Free food and housing in Florida's wonderful sunshine state!

We will be building the same tower that's located at the Lake Aurora Christian Camp campus in central Florida. (Pictured below)

PS. Fellow Floridians are also very welcome!

My DFS Kiwanis club and other area Kiwanis club's went to Altha Elementary school NW of Blountstown Fl. to remove a playground hit by hurricane Michael. Had a great day of service/serving!

Build that wall!

We are now enclosing the front porch of the Dining Hall.

Thanks for volunteers!

Ron from Maine and Phil from Chiefland, Fl.
