So many thanks to Central Christian Church of St. Petersburg, FL! Their working around the camp the last couple of days was amazing!!!
Finish building two wheelchair accessible landings off the dining hall, worked on snack shack, pulled weeds in sand volleyball court, load a trailer of scrap metal, presser washed cabin 1, started taking out deck to reframe for walk in cooler, plus two great days in Panama City at the Doyle's house!
Thank you so much!
Also, thanks to Keith Dixon for working with his big machine to clear land for new handicapped parking for the girls cabin area!

Tri -State Christian Camp is thrilled to have the support of St. Joe Community Foundation.

April Wilkes, with St. Joe, was able to get a contractor to donate 900' of sidewalk (labor & concrete) to help those with special needs to maneuver the campus.

St. Joe also awarded a grant for \$25,000 to make one of our boy cabins handicap accessible.

What a huge blessing.
