I took a couple of weeks off to spend with my daughter and grand babies but still got a few painting projects in. Here's the new sign i painted for the canteen building at Tri State Christian Camp in DeFuniak Springs, FL where my kiddos will be spending some time this year.

I've lived here at Tri-State Christian Camp for a year and a half and this is the first time I've seen deer on the property. They're coming right up to the grandkids and letting them be pet.

In for hernia surgery yesterday! Stuck pig! 😞
I'm home and doing okay.

Exciting day in the history of Tri State Christian Camp. The poles for our two 500' zip lines have finally arrived. They've been on a hold since last October because of hurricane Michael hitting Panama City.

Gus Denzik will begin construction this coming Monday. If anybody is interested in helping please PM me. We could use help!

I am down because of hernia surgery.

Great day today installing zip lines.

Official length 520'

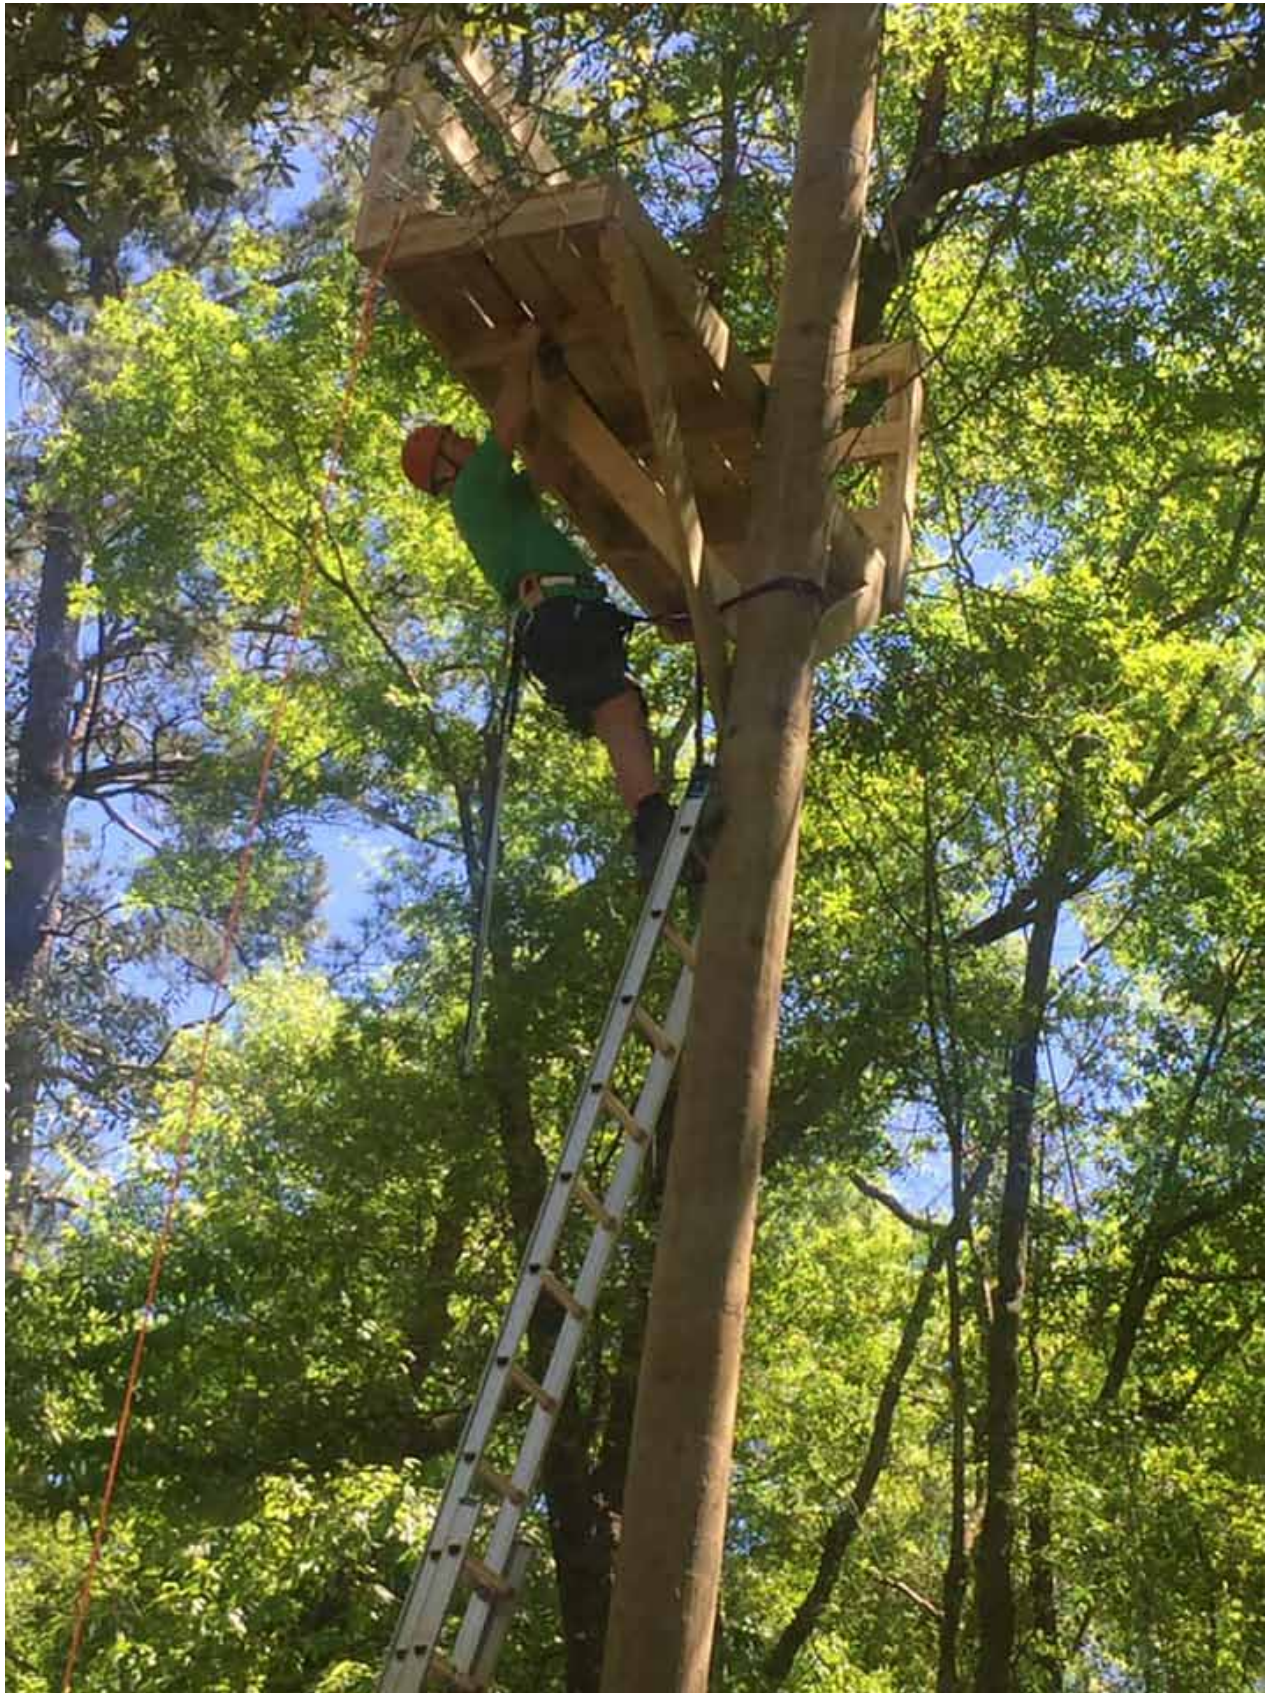

Tomorrow afternoon we will have our test run!

Come on out after 2:00 pm and have a ride!

Very exciting days at Tri-State Christian Camp!

This is so cool! Our new zip lines at Tri-State Christian Camp!
Send your kids to summer camp! They will be challenged by the word of God and have a great time on the 520' zip line!
Thanks Gus Denzik from Butler Springs Christian Camp and volunteers!

GAC Construction is donating concrete and labor for 900' of sidewalk, two handicapped parking area slabs and a patio in front of the dining hall. Pictured below with camp director Randy Chesnut is the design engineer from GAC Andrew Rowell. A huge "thank you" to GAC from Panama City for partnering with Tri-State Christian Camp for help making our campus more inclusive!

Thanks to Doug, Brian , and Fred from Niceville Christian Church for volunteering at the camp. These guys did a great job getting all the trees cut up and stacked!

Tri-State Christian Camp is with Randy Chesnut.

Got that huge tree stump out of the ground in front of the dining hall today!
We're ready to move forward with sidewalks and dining hall patio!
