Through the help of St. Joe's Community Foundation GAC Construction out of Panama City is donating 900' of sidewalk and two ADA parking area slabs. Because of all the new sidewalks going in we've had to establish a girls cabin parking lot area and a boys cabin parking lot area. GAC construction stepped up to the plate once again and is donating milled asphalt for both of those parking lots!

WHAT IS ROTARY CAMP?

Rotary Youth Camp is a nonprofit (501)(C)(3) organization, which is managed by a Board of Directors, and primarily sponsored through fundraising efforts of rotary clubs in Rotary District 9440. Together these clubs contribute more than \$40,000, one third of what it costs to run camp. We also have corporate and individual donors, who donate an average of \$85,000 annually.

Campers attend for one week overnight, by grade level.

Rotary Youth Camp is intended for any child with disability, age 6, or completion of kindergarten, through young adulthood. Our camp enables its participants to grow in self-confidence and to experience success in physical activities and social relationships.

Our 2019 camp location is
100 Christian Camp Rd.

I am at the Mayfair art show in Lakeland Florida this weekend representing Removing The Barriers Tri-State Initiative. (Tri-State Christian Camp) Gave rides to those with disabilities to help them maneuver around the art show.

Paige has so many physical limitations! But what a blessing she was to me with her beautiful smile!

Our new 25' rock climbing wall was delivered at 8 am this morning just in time for Lakefest in downtown Defuniak Springs. One of our longtime campers had one of the first climbs on the new wall. What an exciting addition to Tri-State Christian Camp!

My friend Andy Avery singing at Lakefest today brought a special girl up on stage to have her sing with him. Andy had many opportunities to give a plug for Tri-State Christian Camp and Removing The Barriers Tri-State Initiative!
