Many thanks to Ross Knecht, Director at Country Lake Christian Retreat for donating this used cooler to Tri-State Christian Camp. It's been on the ground for almost a year. We finally got it assembled just in time for a very busy July with Rotary Youth Camps. Thanks

PTL

Rotary Youth camp started today with teen training.

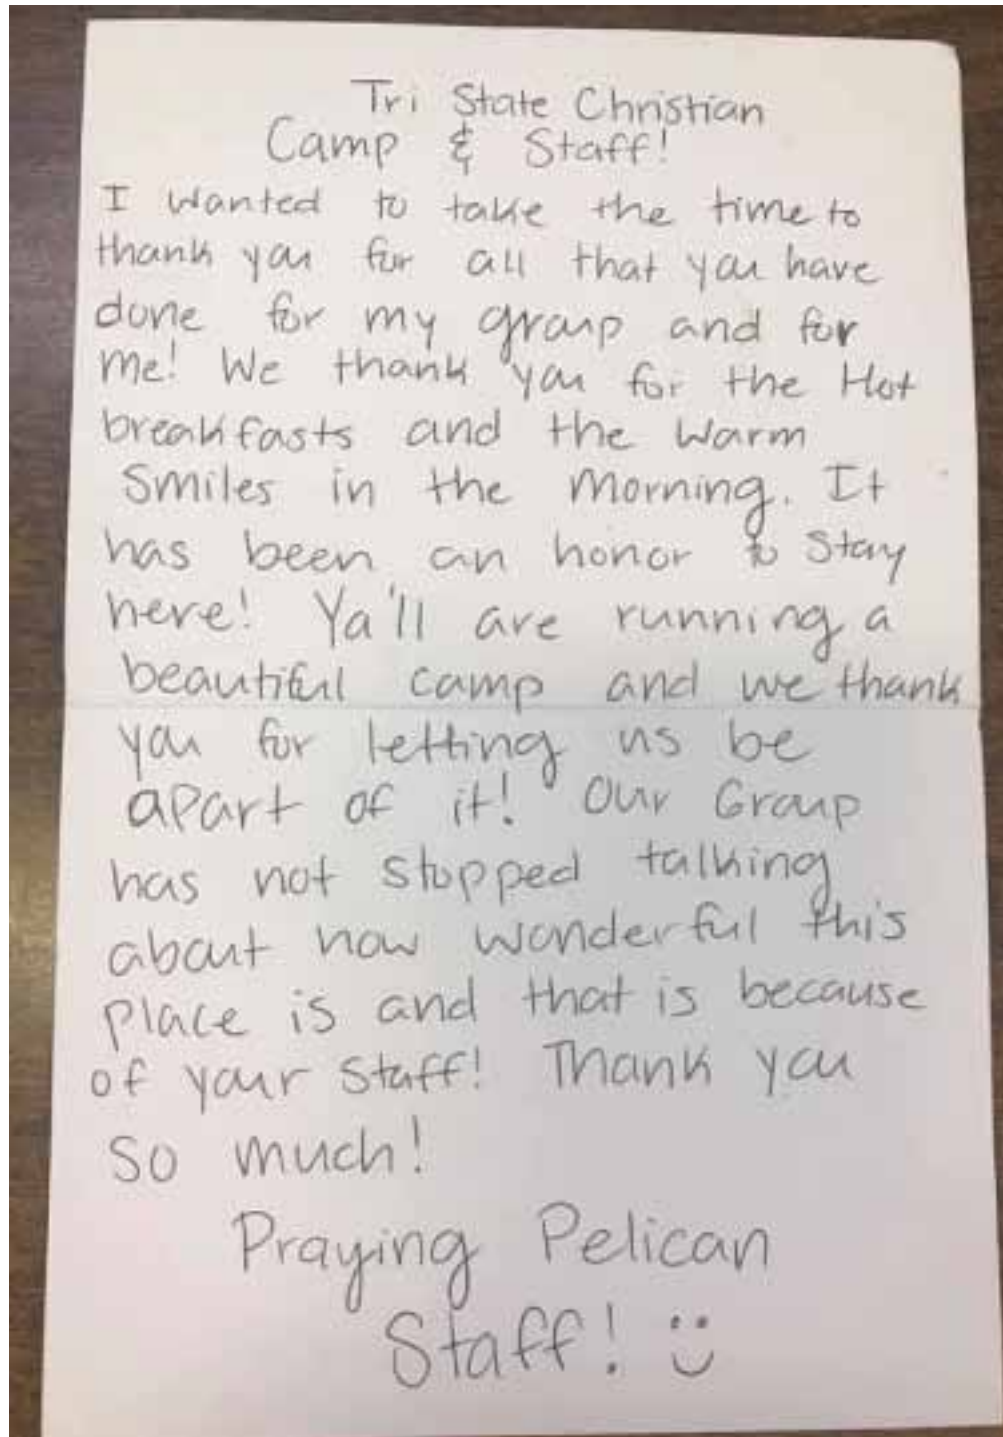

We very excited to host RYC. All of Rotary Camps in the month of July, service youth with special needs.

It's always nice to know that we have exceeded somebody's expectation here at Tri State Christian Camp!

So very grateful to "Carpenters For Christ" and their hard work in the Florida heat and afternoon showers. They have almost finished our dining hall patio cover! This shaded area will be a wonderful benefit to the Rotary Youth Camps that are here for the month of July!

It's been very exciting to have Rotary Youth Camps of North Florida (helping kids with disabilities) here at Tri State Christian Camp. RYCNF will be here for the month of July.

Each night a different Rotary Club from the panhandle of Florida comes in and serves a meal to the campers.

How cool it has been to have a Rotary Youth Camp of North Florida renting Tri-State Christian Camp for the month of July. Joyce the Executive Director does a great job in organizing camp programs for those with disabilities! This is their last week here with us. Hope they return next year!
