Work day at Tri-State Christian Camp. We are so grateful for the high school from Community Christian School in Tallahassee for all the great work around the camp.

Raking and pulling weeds in the sand volleyball court.

Cutting up and moving sticks and logs and stacking them at the campfire ring.

Cleaning inside and outside of our maintenance shop.

Cleaning cabins 1-6.

Sweeping and mopping the dining hall.

The High School kids cleaned up all the junk from around our maintenance shop a couple days ago and pulled out this old marquee sign on a trailer. We tore off the old sign and fixed up the trailer to be a utility trailer for around the camp.

Thanks to Derwin for doing the work.

Derwin & Melissa are here from Kansas. They are RVing here until April 2020 to help around the camp! Another blessing from God!
