

Randy Chesnut Era at Tri-State Camp & Retreat Center January 2020

Randy Chesnut

Robert and Gwyn's House near Panama City was nearly Destroyed in the Hurricane. One year and four months later it is nearly finished. Following are photos from the beginning to the end for this complicated project.

Just about got Robert & Gwen Doyle's house remodel done after the devastation of hurricane Michael, October 2018.

Last Sunday marked their one year anniversary living in a small FEMA trailer. I will be so thrilled to get them back into their house!!!

Many thanks to all the volunteers that lended a hand! I would have not been able to do it without you!🙏🏻

If you or your church missions has a little extra starting off the new year, we are \$3,500 in the hole as we are finishing up! Anything would help this brother in Christ, veteran and his wife get out of that trailer!!🙏🏻

Blessings to all🙏🏻

Tri State Christian Camp is so grateful for Ministries like "Helping His Hands" from Vincennes, Indiana. They drove all the way down with equipment to work on a new camp road entrance into the property, work the landscape around the zip line, and cleaning up debris piles from when we put in the new sidewalks.

Many many thanks to Scott Shipman the director of Helping His Hands. Scott will be here on January 20th at our Annual Celebration day to share a few minutes about the... [See More](#)

Helping His Hands from Vincennes, Indiana was a huge blessing to the camp this week!

From Thursday to Monday they accomplished several projects for us!
Cut in a new road to the camp property.

Removed trees and underbrush so we can put in a archery range. Worked under our zip lines to make a better landing. Landscaped around the camp from when the sidewalks where put in!

They also did a little landscape work at the camps house project in Panama City.... [See More](#)
