Many thanks to Dennis Worcester from Community Christian Church in Ft. Lauderdale who has been helping his brother Derwin, a snow bird from Kansas, work on the remodel of cabin #6, making it disability friendly.

Hey friends of Tri-State Christian Camp.

I guess there are a lot of angles in which to look at with this virus thing, but, at the end of the day Walton County is now asking for groups larger than 10 not to gather. So with that in mind, we are moving both of our Men's & Ladies retreats to the fall.

Ladies Retreat will be Sept. 11 & 12, 2020

Men's Advance aka Retreat will be
Sept. 25 & 26, 2020

As far as those that have registered and paid, there are three option.

1. Camp hold and apply it to the Sept. retreat
2. Donation to the camp in these financially tight times.
3. Have the camp send a refund check.

Thanks for your understanding!

May God be glorified during this time of unrest!

Thanks,

Director Randy Chesnut

PS. Please let us know about your pre-registration.

If your finding yourself with a little extra time over the next couple of weeks, we would welcome small groups of volunteers. We have a couple of folks with "Helping His Hands" ministries from Indiana with a skid loader working on several projects. Always could use a few more hands!

So grateful for a grant we got from the St Joe Community Foundation to remodel our cabin #6 to make it more disabilities friendly. Also grateful for the First Christian Church in Defuniak Springs for hiring some guys to continue the work!

Tri State Christian Camp is so blessed to have guys around like Tom Hart from Tallahassee. Tom has been around since the very beginning of the ministry. From clearing trees and helping build cabins, and now in his early 80's pressure washing those very same cabins. Thanks Tom for your heart and love for camp ministry! 🙏 We appreciate you!

We had a small volunteer work day today.

Many thanks to Bayou George Christian Church and Niceville Christian Church. 🙏

Each church had three volunteers helping with projects.

We also had Tom Hart pressure washing cabins from Capital City Christian Church. 🙏

Our great friend to the camp Tom Hart pressure washed all day yesterday & today! Five cabins got pressure washed in two days, by an 82-year-old! I think he out worked most of us today!
Lots more projects to do. Maybe you can find time to volunteer a day.
