We are so thrilled and blessed to get a 10'x20' synthetic thatched roof from Endureed Synthetic Thatched Roof Systems. We will have to build the structure but they will donate the synthetic thatched roofing material. This new shade shelter will go out by our swimming pool. This is a much needed shelter at our pool, especially when we are dealing with those with disabilities.

There's always plenty to do in camp life even when you don't have rental groups to cater too.

More spring cleaning in the fall !

I am so grateful for our local power company "Chelco" who is very good about giving back to its community! Oct. 5th, 2020 Tri State Christian Camp was awarded a grant request of \$2000.

If you live in the Chelco Power Company area please consider being a part of the round up program. The round up program rounds up your monthly bill to the full dollar amount.

The contributions accumulated are distributed quarterly for charitable organizations primarily in the local area se... **See More**

After 11 years the VA got Robert's disability figure out. Robert got a nice check last week. He and Gwen drove up to the camp this evening to tithe his check so we can put a new roof on the cottage house!

We really appreciate Robert and Gwen for their vision for the camp ministry !

We know sooner expanded one of the showers in the remodeled handicap cabin #6 from 3' to 5' and had a leak in the plumbing below the finished slab and tile.

New tile work has been cut out, plumbing has been fixed, and tile back in again.
